EMBOSSING POWDERS

Ranger and Signature Designer Wendy Vecchi are pleased to announce 7 new colors to the Designer Series Embossing Powder product line. Heat embossing can add interesting dimension and texture to crafting projects of all kinds. These new colors bring the palette to a total of 18 colors, all with a Wendy Vecchi touch and her vintage country garden feel! Wendy's new embossing powder color palette speaks to that inspiration and coordinates with her line of Designer Series Archival Inks and Enamel Accents.
